

ACADEMIC QUALIFICATIONS			
Year	Qualification	Institute	% / CGPA
2025	IDD (Industrial Chemistry)	Indian Institute of Technology (IIT-BHU), Varanasi	9.38
2020	Class XII (CBSE)	Amrita Vidyalayam, Delhi	95.20%
2018	Class X (CBSE)	Amrita Vidyalayam, Delhi	97.00%
SKILLS			
● Softwares: MySQL, Python, Office Suite ,Tableau, Power BI, Snowflake, Databricks, Informatica IDMC, Jupyter Notebook ● Area of Interest: Data Analytics, Consulting, Machine Learning, Problem Solving, Predictive Modelling, Agentic AI			
WORK EXPERIENCE			
Axtria India Pvt. Ltd., Noida <i>(Analyst)</i>			Sept ‘25 – Present
● Develop interactive dashboards and analytics reports using Power BI and Tableau, delivering data insights to support client decision-making across cross-functional teams. ● Manage end-to-end data workflows using SQL, Python, and IDMC Informatica, ensuring accurate reporting and seamless data integration for enterprise client operations.			
St. Jude Children’s Research Hospital, Memphis, TN, USA <i>(Summer Research Intern)</i>			May ‘24 – July ‘24
● Led 10+ member team to optimize protocols (90% efficiency gain) and executed 100+ simulations identifying 5 solutions with 70% improved performance. ● Analyzed 50K+ records to identify correlation patterns across demographics, driving targeted strategic recommendations.			
Exposys Data Labs, Bengaluru, India			May ‘21 – July ‘21
● Collaborated with cross-functional team to refine 10+ product features; developed real-time application supporting 500+ concurrent users with 95% satisfaction rate. ● Built admin platform onboarding 1,000+ users and managing 500+ content items, achieving 25% operational efficiency improvement through data-driven insights.			
PROJECTS			
M&A Strategic Fit Analyzer [Link]			
● Built AI-powered M&A analyzer automating target research with weighted scoring framework across 5 strategic dimensions. ● Developed web scraping pipeline and interactive Plotly dashboards for E-commerce, FinTech, and SaaS deals, generating investment committee-ready memos with modular Fast Mode (45s) and Deep Mode (2min) architecture. ● Achieved 95% time savings reducing deal analysis from 2 days to 45 seconds, delivering standardized assessments.			
Luminous Lab-Grown Diamonds <i>(Case Study)</i> [Link]			
● Conducted comprehensive market analysis of \$22.79B lab-grown diamond industry (14% CAGR to \$74.45B by 2032), evaluating premium fashion-tech vs. affordable ethical positioning strategies against natural diamond competitors. ● Designed omnichannel go-to-market framework combining D2C e-commerce with legacy retail partnerships, addressing consumer skepticism and balancing brand credibility through physical presence with digital scalability. ● Developed strategic positioning to capture 70% youth demographic market opportunity, creating distribution model that leverages ethical messaging and luxury positioning for emerging brand differentiation.			
POSITIONS OF RESPONSIBILITY			
IIT-BHU	Department Undergraduate Committee (2023 - 2024)	● Liaised b/w Students and Professors, assisted in framing internship policy; aided effective communication. ● Represented 100+, advocated for student input on academic courses and improvement.	
	Student Alumni Interaction Cell (2021 - 2023)	● Headed a team of 15 as Tech Lead; witnessed 20% increase in web traffic on the official website. ● Led framework and design development for the new site; acted as department liaison to the cell.	
AV	Student Council	● Headed creative & discipline depts.; selected as Discipline In-charge (for 3 years) and then Prefect. ● Oversaw a team of 20 in House Council; chosen as House Vice Captain; represented 1000+. ● Selected as Head Boy (2018-2019); guided a team of 50; represented school in 20+ contests.	
ACHIEVEMENTS & EXTRA-CURRICULARS			
Scholarships		● Awarded ‘Khorana Program Scholarship’ to work at St. Jude Hospital, Memphis, TN, USA. ● Awarded ‘DAAD-WISE Scholarship’ to work at TU Darmstadt, Germany.	2024 2023
Academic Projects		● Industry experience with technical projects in DRDO, ONGC, and BHEL. ● Published 2 peer-reviewed research papers in the field of computational chemistry.	2022 2022-23
Scholastic Achievements		● Secured 1st rank in Class 10 CBSE board examination (2018), at Amrita Vidyalayam. ● Won 20+ Interschool, National, International olympiads held by IOM, IOEL, IIO, IOS(Silverzone).	
Sports & Fine Arts		● Underwent formal training in Tabla; First runner-up in district level instrumental music competition. ● Achieved black belt; won district level Taekwondo championship in 2013(silver) & 2012(bronze).	
Social Impact		● Volunteered in Pawwz NGO; secured partnership with 10+ local businesses aiding 200+ stray dogs.
